

## Join the Landmark Legacy Challenge!

We invite you to participate in the Landmark Legacy Challenge! \$50,000 in matching funds are available until July 2024. Be among the first 50 new or increased legacy commitments completed and boost your bequest commitment for the future of conservation with a \$1,000 match!

### How It Works:

1. Document your legacy gift with a signed Letter of Intent and return via mail or email to Landmark Conservancy.
2. Landmark Conservancy then receives \$1,000 towards our conservation efforts in your honor. It's that easy!

By participating in the Landmark Legacy Challenge, you can maximize your contribution to land protection in Northwest Wisconsin!
